Help Shape the Future of Charity Leadership

Are you passionate about strengthening the charity sector and supporting the leaders who drive social change?

We are seeking up to two new Trustees from our membership to join our Board and help guide the next stage of our organisation's development. We're especially keen to hear from Aspiring Leaders.

About Us

Charity Leadership Scotland is the membership organisation for Scotland's voluntary sector leaders. We support leaders to be influential, resilient and trusted, ensuring the sector can make its full contribution to Scotland's future.

We are a values-driven team. Our people are courageous, authentic, open to challenge, collaborative, and inclusive.

About the Role

As a Charity Leadership Scotland Trustee, you will help set the strategic direction, support the management of our financial resources, monitor our performance, and help to establish ways to better meet our aims and promote our charitable objectives. You will ensure that Charity Leadership Scotland complies with its governing document, charity and relevant company law and any other relevant legislation or regulations, and safeguard the good name and values of Charity Leadership Scotland.

We welcome applications from first-time Trustees as well as those with previous board experience. Above all, we are looking for people who share our commitment to our purpose. Further information about the role and time commitment are in the Trustee Candidate Information Pack.
